

**North Pike School District**  
**Annual Notice of**  
***Career and Technical Education Programs***  
**2018-2019**

Career and Technical Education (CTE) programs for the North Pike School District are located on the high school campus at the Career and Technical Center. CTE programs are designed to provide students with academic and vocational skills to give them the advantages needed to compete for high demand and high wage jobs. The career and technical curriculum incorporates a combination of classroom instruction, exploration of careers, and hands-on-laboratory work. In addition, CTE students are encouraged to be active members in the student organization related to their CTE program.

**The North Pike School District offers the following CTE Programs:**

Agriculture and Natural Resources (FFA)

Business and Marketing (DECA)

Health Sciences (HOSA)

Teacher Academy (Educators Rising and Skills USA)

Welding (SkillsUSA)

ICT I, ICT II

Students can enroll in CTE programs at North Pike during their 10<sup>th</sup> and 11<sup>th</sup> grade year. These programs allow students to earn two Carnegie units per year, for two years. For more information regarding career and technical education at North Pike contact:
